

Ridin' in a Rocket

Chorus

Ridin' in a rocket, great big rocket.
Ridin' in a rocket, hang on tight!
Ridin' in a rocket, see my rocket.
Ridin' in a rocket, what a sight!

Verse 1

I see the Moon,
Winkin' at me.
He stays up all night you see.
I see the Sun,
Glowing bright red.
She wakes me up when I'm in bed.

(repeat chorus)

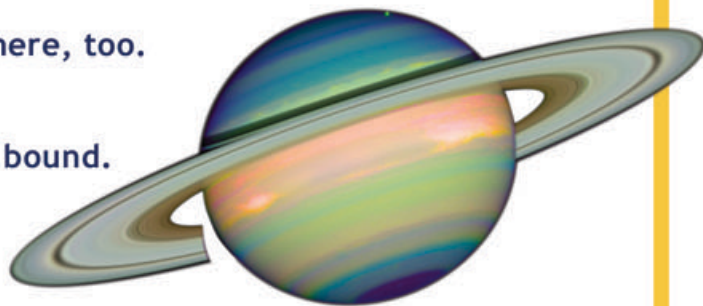

Verse 2

I see the planets,
Circling the Sun.
Gee, I'm having so much fun!
I see the stars,
Twinkling up high,
Billions of them up in the sky.

(repeat chorus)

Verse 3

I see the Earth,
Oceans bright blue.
Forests and mountains are there, too.
I see my friends,
Dancing around.
Gee, I'm glad I'm homeward bound.

Use these lyrics to help children learn the words
to the songs on the *AstroPuppies in Space* DVD.
